## Remarks:

1. In order to prevent the spread of Novel Coronavirus Infection, you should stay close and follow strictly to the latest guidelines issued by the Health Bureau and the University to reduce the risk of spreading Novel Coronavirus Infection in organizing student events, or any kind of recreational and sports activities.

2. Regardless of the nature of the student activity, you should submit solid activity details, including but not limited to the following (background information of guests, speakers, lecturers, trainers, performers, media as well as themes or topics of seminar, workshops or sharing sessions) to your SAF 30 days prior to the activity date. Failure to do so may result in cancellation of SAO Funding and venue sponsorship.

## Remarks:

1. In order to prevent the spread of Novel Coronavirus Infection, you should stay close and follow strictly to the latest guidelines issued by the Health Bureau and the University to reduce the risk of spreading Novel Coronavirus Infection in organizing student events, or any kind of recreational and sports activities.

2. Regardless of the nature of the student activity, you should submit solid activity details, including but not limited to the following (background information of guests, speakers, lecturers, trainers, performers, media as well as themes or topics of seminar, workshops or sharing sessions) to your SAF 30 days prior to the activity date. Failure to do so may result in cancellation of SAO Funding and venue sponsorship.
